DMV Stays Open Longer Hours Here

Department of Motor Vehicle field offices will be open until noon each Saturday this month.

On payment of 1964 vehicle registration fees, DMV will issue white reflectorized stickers to be affixed to the upper left corner of the rear license plates.

DMV Director Tom Bright said he expects owners of about 9.5 million cars, trucks, trailers, motorcycles and other vehicles to apply for 1964 registrations during the next five weeks.

REGISTRATION renewal service is available at DMV's 144 field offices, at more than 150 banks cooperating with the department during the renewal period, and at auto clubs handling registrations for their members.

Bright cautioned vehicle owners "to apply for registration renewals at bank stations only if they can present a punched card renewal statement." These fee statements were mailed to California vehicle owners on Dec. 16.

OWNERS MAY also renew their vehicle registrations by mailing the punched card statements and fees according to instructions on the backs of the cards.

"For added convenience of vehicle owners," Bright said, "regular Department of Motor Vehicles field offices will be open until noon on the next five Saturdays — beginning Jan. 4 and ending Saturday, Feb. 1."

Bright asks any applicant to go to a DMV office for 1964 registration if: (1) he does not receive a renewal statement in the mail before Jan. 15; (2) if he has a special registration problem; (3) if he has out-of-state license plates and is registering a vehicle in California. In such cases owners should bring their 1963 registration documents and be prepared to pay 1964 fees.

"NEW RESIDENTS with out-of-state license plates on their vehicles should be prepared to present evidence of the date their vehicles were purchased," Bright added. He said the California use tax may be applied to certain out-of-state registrations, in addition to other required fees.

Private party vehicle sales involving a seller who has sold more than one car in a 12-month period are also subject to new provisions of the state's use tax laws.
